**Dear Legacy Duathletes,**

**The Legacy Duathlon is a fun race held on the Legacy Parkway Trail System. This race is a flat, fast course. Most of the course is straight so it allows for great visibility for participants however this course is not a closed course so we ask racers to be aware of the potential strollers or people who may try to use this course while the race is happening.**

**In 2018 we are back in North Salt Lake near the Life Line Building. This is a great location for parking, safety as well as finish. The weather forecast for Saturday is Mostly sunny with a high of 56 degrees. This means the conditions will be good but on the cool side. Please wear clothing according to these conditions.**

**Runners will start the race with every runner being put on the course once every 15 seconds heading South on the Legacy Trail in order of fastest (estimate) to slowest. The runners will return back to transition at which time they will switch to the bike and ride South and return to transition. The last leg will be one more run South and a return. This will give racers a run bike run and finish in North Salt Lake.**

**Spectators – We encourage spectators for the race. The best location for spectating is at the Start and finish which are the same location as the Transition Area. This is best because spectators will see the start and finish and see each time they change in transition. On the course it is narrow and makes it unsafe for racers and spectators and they only see the racer on a limited amount.**

**Timing is done via timing tablets. These tablets are viewed via your bib numbers so do not remove them or fold them. Make sure you know your number and are body marked according to it. No one will be able to start without us entering your bib number and finish will be the same. With that being said try to shout out your bib number during the splits so we can get your run and bike and transition times. Age group awards are given to this race. Tablets are used to time the transition areas. We ask that you wear your bibs on the front of your chest during the entire race and to be body marked.**

**Good luck during the race!**

## Legacy Duathlon Run Course 2018

### **Run Course and Start**

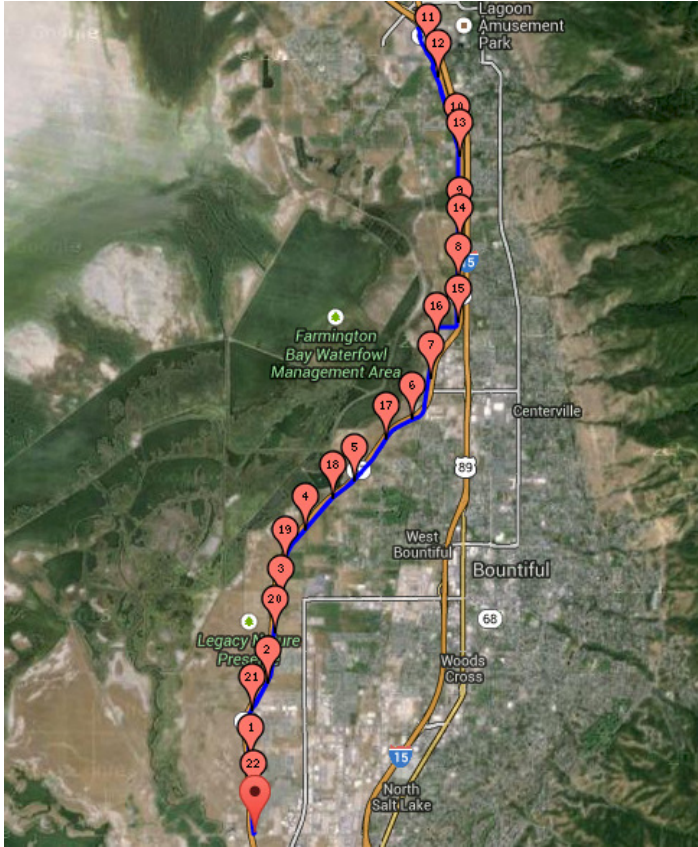

Start at Life Line Building NSL Center Street Trail Head and put runners on one at a time every 15 seconds based on estimated Run Time. This will thin out the runners as well as lower the amount of passing on the course. Course is out and back and single file.

Short Distance is 1.55 Miles (out and back)

Intermediate Distance is 3.1 Miles (out and back)

(This course is done again after the racers do the bike course below)

### Bike Course

After the runner complete the run course they leave the for the bike course going North so they will not cross the run course. This is up and back as well. Rules for the Bike Course are a strict No Drafting Enforcement. No drafting means no riding side by side and riders have to be 3 bike lengths between each other unless they are trying to pass. Though this course is straight and visibility is high we encourage all riders to be aware of the course and potential walkers or other riders.

Short Distance is 11.2 Miles (out and back)

Intermediate Distance is 22.4 Miles (out and back)

After you do the bike course you will do the Run Course again for a Run – Bike – Run.

### Transition Area in North Salt Lake

← Bike Path     Run starts race with one runner every 15 seconds in order of fastest to slowest to thin out course and help lower the amount of passing. Run course and bike do not cross each other as well as bikes do not cross bikes on the course.
